Cosmetic Surgery Project

Before

- RIPE 58 Announced Plan

  - Draft in-house

  - Get confirmation from AP WG Chairs

  - Publish the draft to community

  - After 1 month of review

    - Publish or

    - Iterate above depending on the feedback received

- Six policy documents to be reviewed

Done that

- Created web page

    - http://www.ripe.net/ripe/updated-documents/

- Published Draft

    - Autonomous System (AS) Number Assignment Policies

Then

- Mostly positive feedback

- One concern about "validity of ASNs" injection
  - Beyond textual?

- WG Chairs: Run the full PDP

Now

- Different than agreed methodology

- Two options

  A. Omit the change causing concern and move ahead as previously agreed

  B. Run the full PDP but for ALL documents
    - Proposals will be made

- Please choose!
